vii. To install fences, fencing materials, walls, structures and other improvements in the fencing, sign and landscape easement areas.

viii. To own, control, operate, repair and maintain the roadway areas described herein, to dedicate said roadway areas to public use as public roadways without the consent of any lot owner or any other person.

ix. To acquire title to any of the real estate within the boundaries of **Autumn Ridge Estates** and use the same as common area for the benefit of all lot owners.

x. To maintain such insurance on the sign and landscape easement areas, roadway areas and other commons areas as the Association deems appropriate.

xi. To pay any and all taxes and assessments levied upon the sign and landscape easement areas, if any, and upon any other common areas, if any, by any governmental authority.

xii. To carry out and exercise all of its rights, powers and duties and to perform all of its obligations as set out herein.

xiii. To enforce all of the provisions of this document and to pay the expense of enforcing the provisions of this document including attorney fees and court costs.

xiv. The term "common areas" as used above herein shall include the aforesaid sign and landscape easement areas, the aforesaid roadway areas and any other real estate owned by the Association within **Autumn Ridge Estates** as shown by the survey recorded in **book 2754 page 78**.

49. The assessments of the Association shall be assessed equally against each lot and the owner thereof which is subject to assessment as provided herein. The Association is hereby empowered to make and collect during each year from the owner (s) of each lot an assessment in a sum sufficient for the above stated purposes, along with a reasonable balance for the purpose of unanticipated expenses. Special assessments shall be made and collected by the Association as required for the purpose set forth in this document.

50. If any assessment is not paid on the due date, then such assessment shall become delinquent and shall, together with interest and costs of collection, thereupon become a continuing lien on the lot which shall bind such property in the hands of the owner, and said owner's heirs, devisees, personal representatives and assigns. The Association may file a notice of lien with the Boone County Recorder of Deeds for delinquent assessments. The personal obligation of the then owner to pay such assessment, however, shall remain said owner's personal obligation and shall also pass to and be the personal obligation of said owner's successors in title to the lot.

51. If any assessment is not paid when due, the assessment shall bear interest from the date of the delinquency at the rate of twelve percent (12%) per annum, and the Association may bring an action at law against the owner personally obligated to pay the same or an action to foreclose the lien against the property, or both, and there shall be added to the amount of such assessment and interest the reasonable attorney fees incurred in collection. No owner may waive or otherwise escape liability for the assessment provided for herein by claimed nonbenefit or nonuser of the benefits for which the assessment is imposed.

52. The lien of any assessment provided for herein shall be subordinate to the lien of any deed of trust now or hereafter placed upon a lot subject to assessment; provided however, that such subordination shall apply only to the assessments which have become due and payable prior to the date of sale or transfer of such property pursuant to a foreclosure, or any other proceedings in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessment thereafter becoming due, nor from the lien of any such subsequent assessment. Such sale or transfer shall not relieve the personal obligation of the property owner for the assessment coming due during the time he or she owned the property.

The undersigned and/or the owner of any tract subject to this Declaration may enforce this Declaration and the provisions herein and shall have the right to proceed in law or in equity, or both, against any person or persons violating or attempting to violate any of the provisions of this Declaration, either to restrain violation or to restore damages, or both, and said remedies shall be cumulative and not exclusive, and in said legal proceedings the prevailing party shall have the right
